

Title: A Letter to a New Friend

Part 1: Making a New Friend

Dear Grade-1 pals,

Imagine writing a letter to a friend you haven't met yet – a new friend waiting to share laughter, secrets, and adventures. Today, we'll explore the joy of making connections through the magic of letters.

In the world of friendship, every person is like a unique puzzle piece. When we meet someone new, it's like finding a piece that fits perfectly into our hearts. So, let's pick up our pens and start the journey of reaching out to a friend.

Part 2: Sharing Stories and Smiles

Our letter is a special gift, carrying words that tell stories and create smiles. We'll share our favorite things, like the games we love to play, the stories that make us giggle, and the dreams that sparkle in our eyes.

Through this letter, we'll discover the power of words in building bridges between hearts. So, let's embark on this journey of friendship, where every word becomes a stepping stone to a new adventure with a new friend.

Get ready to write your heart out, little authors! It's time to create a connection that can brighten someone's day and make the world a friendlier, happier place.
